

Annual Report To Loads of Love

Bill and Shirley Pipke

Thank you Loads of Love for your partnership with us as we lead BCA and CLI. Shirley and I are so grateful for the relationship we have with Loads of Love. For years I had the privilege of serving on the Board of Loads of Love as the ministry responded to human need and empowered global service. Now both BCA and CLI are global ministries under the Loads of Love umbrella. It is an honour to be part of the Loads of Love family and vision. Together we are fulfilling the Great Commission.

I am writing this report from the Bridge Cultural Center in Zambia. Much of my time here has been invested in preparing for the arrival of our new missionary "K.K.T." He is a gifted evangelist from Hong Kong. We anticipate that God will use him to serve many, Ch'n'se workers who are living in Kitwe. Once the travel restrictions in Hong Kong are lifted we expect KKT will travel to BCA.

In addition to assisting KKT in Kitwe, we are now expanding to Lusaka and collaborating with a church in that city. The church has agreed to provide a vehicle, accommodations and monthly support for the new worker to be recruited. It is a joy to partner with national leadership to reach the unreached with the Gospel.

During the pandemic cli invested its energies in the development of our discipleship resources. I am thrilled to report that by June 1st, 2022 we will have our Adult Training materials (Integrity the Best Foundation) in print, ebook, and audiobook. A new leadership video training designed for small groups has been professionally recorded. All of these materials are downloadable at our website cli.international.ca. Our goal is for the message of integrity to be *accessible, available and affordable* to everyone.

Please pray that by the end of next year 2022, we will have our adult materials translated into Swahili. The addition of Swahili will open the door to the nearly 100 million people.

Integrity training must also include children. So we have developed Integrity discipling materials for children in a program called - Code Name Integrity. We anticipate this material will be used in African Schools, Sunday Schools, Clubs, Christian Schools and Sport programs.

Our goal is that through your partnership donations and cli resource sales the message of integrity will be accessible, available and affordable to everyone, even those who lack the funds. We continue to conduct on line and in person integrity training summits. We have a dream to developing materials for teens and on day a business coaching stream.
